\*Group C - Ages 8-12 (5pm -6:30pm) - (Available Session 2 and 4 only)

#### Details:

Maximum of 12 campers per session. If demand/interest is very high, we will consider taking 5 additional players at certain sessions and will have an assistant instructor join us.

#### PTR/CPR Certified Instructors - Camille Malcom and Reagan Peppers

Reagan and Camille are 2022 graduates of George Walton Academy and played tennis for most of their lives. Both trained at the Junior Tennis Academy at Summit Chase - competing in USTA Junior Tournaments throughout Georgia as lower/middle/high school students. They played on an ALTA team in 2018 winning the championship for their age bracket. Reagan and Camille initiated the start of a middle school tennis team at GWA when they entered 6<sup>th</sup> grade helping to build a strong tennis program for their varsity years. As #1 and #2 singles players respectively on the GWA Varsity Girls Tennis Team, Reagan and Camille helped the team win the GHSA 8-A Private School Region in 2019, 2021 and 2022 (2020 ended early due to Covid). In 2022, they led their team to the GHSA State Championship in Rome, Georgia and ended their senior year as GHSA Single A Private State Runner Ups after a 22-0 session. They were recognized as All-State First Team players in 2022. Reagan and Camille still play tennis recreationally and love the sport.

Reagan and Camille are both entering their junior year at Georgia Southern University. Reagan is majoring in Business and Camille in Sports Management. Both are residents of Monroe and members of MGCC. Both Reagan and Camille are PTR certified and have helped with various tennis camps and training in the past.

#### Includes:

-1.5 hours daily for 4 days of basic tennis clinic/instruction learning the tennis "basics" - starting from proper grip to learning the basics of what/why/how tennis is played to instruction and practice of proper strokes, form and technique to drills and then finally to some mini-game play!

- All training balls and equipment provided OUTSIDE of a tennis racquet.
- Plenty of water breaks and a healthy, light snack provided at end of session.
- Racquet Rookies/MGCC Water Bottle (to keep)
- Prizes/awards/candy
- Water refills, sport drinks
- All First Aid supplies or needs
- Daily “homework” (fun ways to show off and practice what is learned)

Camper MUST bring an age and size appropriate tennis racquet. As this camp is primarily for young beginners, the racquet does not need to be expensive but should be the right size and weight for the player. If one needs to be purchased, we suggest purchasing it at a tennis store such as Your Serve or at Dicks, Academy or the PGA Superstore. Walmart and Target carry racquets too and those are perfectly fine (as are borrowed racquets too) but wherever you purchase or obtain the racquet, please make sure that someone helps you determine the proper grip, size and string tension for the player.

Camper MUST bring a LARGE INSULATED covered cup (like a YETI or something similar) or thermos of ICE COLD water. We will make sure each camper has plenty of water refills throughout each day in order to stay hydrated! Please make sure this is water even if the camper doesn't like to drink water. As mentioned above, we will have some sports drinks as well.

Camper should dress in comfortable, breathable athletic shorts, skorts, tops, t-shirts, etc. and have comfortable athletic shoes/socks. Any athletic shoe is okay if you do not wish to buy actual tennis court shoes.

Additional forms regarding emergency contact information, allergies, injuries, other consents, camp day photo release and liability may be needed and can be turned in prior to the start of each first day of each registered session.

**Price: \$129 per session**

MGCC Members may pay via check Or Venmo @mptennisga

**Payment due to hold spot AFTER registration is submitted and availability of selection confirmed.**

**Weather Policy:**

Sessions may be delayed some days due to wet courts or unsafe weather conditions. We will do our best to work around wet courts, roll them, etc. to get the session in safely and will keep the campers and parents updated via text if the day must be cancelled or the times adjusted any. One rain make-up date is set for each week (Friday). If our schedules allow and there are two cancelled days in a session due to weather, we will do our absolute best to offer an additional rain make-up date on Saturday AM or late Sunday afternoon but this is not guaranteed.

**Cancellation Policy:**

Fully refundable if cancellation made prior to 21 days before session begins

50% refundable if cancellation made prior to 14 days before session begins

Non-refundable if cancellation is made less than 14 days before session begins
